Mokena School Plans Bond Election To Purchase Land

The Mokena board of education decided at its last meeting that an immediate attempt should be made to purchase the 21.4 acres of land that had been recently proposed as a part of the last referendum. The board was in unanimous agreement that the site was the best possible location and should be purchased at the earliest date to avoid any further rising land costs and to be assured that the site would be available for school expansion when necessary.

It was further decided that on Saturday, Dec. 4, a special election will be held to ask the community to approve the purchase of the site and to allow the board to sell bonds to pay for the land. The cost of the land is \$2,500 per acre, a total of \$53,500.

Hold Funeral Rites For Young Traffic Victim

Funeral services were conducted Saturday (Oct. 30) for Danny Wade Erickson, 4-year-old son of Mr. and Mrs. Richard Erickson, 179th and Wolf rd., Orland township, who was fatally injured last Wednesday evening when struck by a pick-up truck in front of his home.

The services were held from the Hirsch chapel at Tinley Park to St. John's United Church of Christ, Mokena, at 2 o'clock with the Rev. Laslo Hunyady officiating. Interment was in St. John's cemetery.

The child was struck by pick-up truck driven by Charles Johnson, 63, who resides at 115th ave. and 187th st. The accident occurred about 6:20 o'clock. According to the report Danny and his 9-year-old brother Dar-

wyn, had been walking along a shoulder of Wolf rd., when Danny suddenly started to run across the highway, apparently not seeing the truck and the vehicle was too close for the driver to stop or turn aside. Cook county police gave Johnson a ticket, charging he was traveling too fast for conditions.

Mokena Police Chief Roy Newton took the injured boy to Silver Cross hospital where he died about 8:30.

Altho the Ericksons reside in Orland township their mailing address is Mokena. Besides his parents, Danny is survived by four brothers, Darrell, Duane, Douglas and Darwyn; also his grandfather, Charles Erickson. Duane is a student at the University of New Mexico where he is a star athlete.

Someone--a spokesman for the contractor was of the opinion that teen agers were responsible--damaged the concrete work at the Francis road overpass for I-80 and loosened the bolts on some concrete forms for the concrete bridge deck to be poured.

It was said that had this altering of the bolts gone unnoticed or unchecked and the concrete poured there could have been serious trouble.

Mayors Urge Public To Observe Education Week

During the week of Nov. 7, the Future Teachers of America Club of Lincoln-Way high school will participate in the nation-wide American Education Week.

A mayors' proclamation of this event was signed by Glen Warning of Frankfort, Arthur Harris of Manhattan, Eric Book of Mokena, and Stanley Gilmore of New Lenox. The proclamation urged all citizens to enter fully into the observance of American Education Week in order to demonstrate their appreciation of the work of teachers, and to show their active support for every program designed to improve our schools and colleges. It further proclaimed that all citizens should think of education not only in terms of cost but also as the means

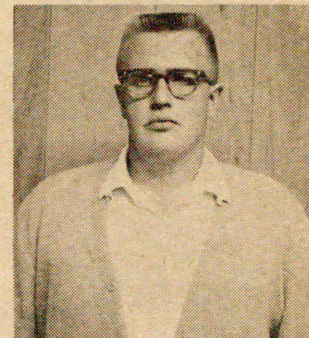

to develop the greatest abilities of all of the members of the community.

On Wednesday, Nov. 10, the public is invited to visit the high school. The Future Teacher members will provide a guided tour of classes and facilities in observance of this week. Visitors are asked to attend either the morning session between 8 and 11:30 o'clock or the afternoon session between 2 p.m. and 3:30 o'clock. Due to crowded facilities lunch cannot be served to the visitors.

A nursery will be provided for those mothers who have children under school age. The Future Homemakers of America will serve as babysitters.

The F.T.A. emphasized the fact that visitors need

not have a son or daughter in school in order to attend.

LARRY SPIESS, son of Mr. and Mrs. Kenneth Pearson of 120 Glennell Heights, Mokena, is leaving for boot camp on Monday, Nov. 8. He will be stationed at Great Lakes Naval Station for eight weeks.

Plans Poll For Views On Library Proposals

The Frankfort Township Library Study group, made up of representatives from various organizations in the area interested in the cause of establishing library facilities in the area, had its most recent meeting in Arbury Hills.

In an endeavor to determine the wishes of the community the group has decided to conduct a survey. To that end a form will be published next week to aid the group in conducting a poll, to ascertain the feelings of the people on the library question.

The study group wants to learn what needs for a library service exist and how best to meet them. Without the cooperation of the public

it cannot get the answers, a spokesman pointed out.

The group also plans to get the views of youngsters by conducting a poll in the schools.

The group will hold its next meeting at 8 p.m. Nov. 17 in the Ann Rutledge school, Lincoln Estates. This meeting is open to the public and those in charge hope all persons interested will attend.

SEEK FUNDS

Saturday morning, Nov. 6, members of the Burros football team will be in downtown Mokena and Frankfort selling football key chains in an effort to raise funds needed to finance the Fall Fiesta Bowl.

Knights Drop Game To Reavis

BY TOM SCARTH

The Lincoln-Way Knights dropped their 4th straight scoreless game to Reavis last Friday night, 28 to 0.

The score is very deceiving compared to the brand of football the Knights played.

The Knights moved the ball to the Reavis 2-yd. line and the half ended. Once they were on the Reavis 8-yd. line, but a tough Reavis defense stopped the Knights on their 8-yd. line. Another time Tom Stoner recover-

ed a fumble on the Reavis 39 yd. line and they moved the ball to the 10-yd. line; then Carl Athas intercepted a pass to end the threat.

Reavis scored early in the game when Ken Wagner ran 47 yards for their first touchdown. Quarterback Jerry Fiat's kick for the extra point was good making the score 7 to 0.

The Rams scored again in the second quarter when Richard Marcordes sprinted 23 yds. for the touchdown. Again Fiat's kick was good making the score 14 to 0.

In the third quarter Marcordes came up with a spectacular 89-yard run for his second touchdown of the night. Fiat's third try for the conversion was successful making the score 21 to 0.

The Rams fourth and last touchdown came when Mike Evans ran 18 yards to paydirt. Fiat's kick was good making the score 28 to 0.

Sophomore Rick Kohl-bacher was outstanding for the Knights carrying 12 times for 82 yds. and at the receiving end of six of McCabe passes for 44 yds, a total of 126 yds.

Saturday the Knights will travel to Bremen for their last game of the 1965 season.

Inflammable Liquid Demonstration Tonight

MRS. SHERMAN KNOX Telephone: FI 9-0211

The public is invited to the Orland Park fire house on Thursday, November 4 at 8 p.m. to see Captain Thomas Hajek of the Chicago Fire Academy give a demonstration on inflammable liquids.

Captain Hajek is an expert in this field, who has devoted many hours of his time to teaching and working with the volunteer firemen in the many communities surrounding Chicago.

For the enlightenment of the public, Captain Hajek will boil, burn and even explode gasoline while holding the container in his hands.

Every home owner who operates a gasoline lawn mower or anyone who stores inflammable liquids around the home should make it a point to attend this demonstration. The knowledge gained will be invaluable.

There will also be sound movies on the training at the Chicago Fire Academy as well as some of the major Chicago fires.

Ask Farmers Give Social Security Numbers To ASC

Farmers who are receiving payments in connection with participation in farm-action programs are being asked to let the ASCS County Office know what their Social Security numbers are.

According to Charles E. Deutschman, chairman, agricultural stabilization and conservation county committee, a form requesting this information-- "Request for Identifying Number - Farmer" -- together with a postage-prepaid envelope, has been mailed to each known producer who receives program payments, to be filled in and returned to the ASCS county office as soon as convenient.

He explained that, beginning Jan. 1, 1966, the identifying Social Security numbers will be entered on pay-

ment-drafts to producers,

and they will also be used by the Department of Agriculture in reporting such payments to the Internal Revenue Service. Such identifying numbers now appear on all reports of income-- payments -- such as bank interest, dividends, etc. -- made by the paying companies or agencies. This is required under the Internal Revenue Code.

Any questions about this matter should be taken up with the ASC county committee.

Rev. Leon Leatherman will be the guest and he will use the book "Family of Man" as a basis for his discussion.

All nurses in the area are welcome.

Open Letter from the Hirschs

Dear friends,

After receiving pertinent information from the bereaved family, the funeral director prepares the death certificate. The attending physician or coroner will indicate the cause of death thereon. This certificate is then filed with the local registrar in exchange for a burial or removal permit. Certified copies of this official death certificate may be secured as proof of death to settle insurance and other claims.

Respectfully,

Edwin Hirsch
